OFFICE FURNITURE

GENERAL ROOM

Wall is a part of space, existing for the setting, extension and layout of the space, bringing out different functional applications. INDACHI high space is a wall but not only a wall. unlimited facing changes turn a dull wall body into a focus of surprise, the intelligent combination makes the wall body break away from traditional definition, the framework structure turns a wall into mobile, combinable assets... In the high space world of INDACHI, a wall is a wall, but no longer a wall only...

WALL SYSTEM

Two standard epoxy-coated colours-dark grey and light grey
