DONATI, established in August 2000, has grown to be one of Indonesia's leading office furniture brands and manufacturers. We strive to provide complete office space solutions for all Indonesia's markets segments.

We have always provided a full range of products;

Chairs, Sofas, Desks, Partitions and Safes.

Product innovation and variety expansion has always been in our mind when it comes to our annual product reviews. We take full precautions in making sure that our products meet the highest standards of design, innovation, comfort, and durability.

Our factory has also achieved these standards;
